E27 LED-Replacement Lamp

E27 universal replacement lamp for industrial and commercial applications as:

- factory buildings
- shopping malls
- street lighting
- pedestrian pathways
- and much more applications

This LED lamp can be used as direct replacement of CFL, Sodium Vapour and Incandescent lamps and can reduce the energy consumption up to 60% versus old lighting equipment. The compact design has an integrated power supply which is developed according international requirements, and meets VDE, CE, UL, ect. The LED output power is controlled by CC/CV regulation to guarantee best performance, as lifetime and heat control.

Do NOT open the lamp in case of defect. Dangerous, HIGH VOLTAGE inside.

Defect lamps have to be send back to the manufacturer, or to the trader where you have bought, to get recycled according to the law.

This product is designed for use only in commercial, industrial or street lighting applications, and is not for use in private areas.

This replacement lamp is **NOT** dimmable, in any way!
Unintended and improper use may damage the product.

WARNING !!

Disconnect old ballast or electronic control unit / power supply in your lighting fixture or lamp

Not dimmable

Technical Data:					
Product Name:	SLT-CRL-960-P-K-C (Print on product label)				
Input Voltage Range:	AC 95V ~ 265V // 50~60Hz				
Input Power:	12W	15W	20W	25W	30W
Input Current max. @AC 95V:	125mA	160mA	240mA	280mA	350mA
Luminous Intensity (Lm) @4500K ±100lm:	1600lm	2000lm	2700lm	3200lm	3600lm
Socket Type:	E27 (Option E40 adapter)				
Ambient Temperature Range:	-30°C up to +50°C / -13° F up to +122°F				
Colour Rendering (RA) @3000K:	>75				
Colour Temperature (K):	2700~5500K				
Lifetime Hours (L70) / Product Warranty:	50.000h* / 2 Years (30W 35.000h)				
Efficiency (Input to Output Power):	>87%				
Power Factor (PF):	>0.9				
Beam Angle:	Symmetrical: 360°vertical / 120°horizontal				
Net Weight (kg):	~220g	~280g	~580g	~700g	
Size incl. E27 Socket (Ø mm * H mm):	58*162	58*189	80*235	80*280	
Material (Heat Sink /Housing / LED Cover), Colour:	Aluminium / PC (Polycarbonate) White/Grey				
LED Cover:	Clear or Frosted (C/F)				
TÜV CE	Certificate No. 50302292				
Patent (CN)	ZL 2013 3 0491417.9				
	CE, RoHS, EN62471, EN61000, EN55015				

* Not closed installation and good air circulation

** By upright assembly in the fixture / socket
